Get Ready For Summer!

By Mary Barrett and Hunter Holliday

It's not too early to start planning for summer. Your Pool and Park Board members and your Dive and Swim Team managers and coaches have already been hard at work gearing up for a great season. Here are some of the great things that will be happening this summer.

Swim and Dive season starts off on in May with team practice. The season will run through the beginning of July, ending with the championships. The coaches and managers are planning workout schedules, meet schedules and

many great social activities for the teams. You can register for both teams on Sunday, March 25th at the BWH Pool Pavilion from 1:00 to 3:00 pm. Go to www.brookwoodhills.com to download the registration form and other information from the managers and coaches.

Whether you come down to the pool for a meet or just to enjoy some family time, you will notice a few changes. We are hoping to make big improvements in our concession stand with better food and lots more choices. More information on food service to come— and yes, soft serve ice cream will return for the summer! We are purchasing some new pool furniture to replace some of the worn out pieces and, as requested, we are adding more tables and seating in other areas of the pool deck. We are also busy at work on a long term landscaping plan for the pool and the park.

Our Social Board members are also planning some great parties for everyone. Check the BWH website and future editions of Brooknotes for the latest information. They are once again planning a big 4th of July bash and an End-of-the Season party and dog-swim. We will continue to have our very popular Friday night cook-outs too, starting on Friday, June 1st.

Of course, the pool, park and pavilion are available for your own parties. If you would like to use one of these areas for an event then just go to www.brookwoodhills.com and click on Reservations. Follow the directions to reserve the venue and time of your choice.

So, make your summer plans now! There's lots going on down at the pool and park this summer, and we hope to see you there.

Dear Brookwood Hills Residents, both past and present:

We are putting together a history of the Brookwood Hills neighborhood and calling it the Legacy of Brookwood Hills. This history will include information about the people who have lived here, their houses, and events and issues that have confronted the neighborhood since its beginnings in 1921.

All residents, both past and present, are being asked to complete this questionnaire. Also, past presidents of the Brookwood Hills Community Club are being asked to write about what happened during their tenures. In these ways, we are collecting a history of the neighborhood for the past 85 years.

When this is complete, we will give all of this information to the Atlanta History Center as the "Brookwood Hills Collection." It will be available there for anyone who wants to see it. This is a project of the "Legacy Ladies," a group of long-time neighborhood residents.

- On the next page are questions for you to answer. These need only be a starting point for telling us about your home, family and Brookwood Hills. Include photographs of the house or neighborhood over the years. Pictures of your family in front of your house, and any plans or drawings of the house, are especially welcomed.
- Please type your answers on a separate piece of paper if possible and add additional pages if needed. This questionnaire, as well as the Presidents' questionnaire, can be found at www.BrookwoodHills.com.
- If you know the former owners of your house or other former neighbors, please send a copy of this questionnaire to them so they can also tell their stories.
- Make copies of the materials you submit for yourself if you desire. These materials will be included in the BWH Collection at the Atlanta History Center.
- Please return your information to Bonnie Burgess, The Legacy of Brookwood Hills, 4 Montclair Drive, Atlanta GA 30309 or to byburgess@mindspring.com

Thank you for telling your story and helping to create The Legacy of Brookwood Hills.
