

BROOKNOTES

The Newsletter of the Brookwood Hills Community

May 1993, Vol. VII, No. 5

PARENTS PLEASE READ THIS

Last month's Brooknotes highlighted the rules which govern use of our wonderful park. During the past weeks, as park use has increased, it has become obvious that not everyone has gotten the word yet about common sense precautions which are necessary to protect everyone.

There are a number of dogs, most of whom are very friendly, who frolic unleashed in the park nearly every afternoon. There have been several instances where toddlers have been knocked down and/or frightened by the rambunctious nature of the dogs' play. On occasion, children who have been asked by an adult to leash their dogs have refused to do so, and it is difficult to make an issue of it with them when there are adults who also allow their dogs to run free in the park. Dog owners, please remember that dogs are required to be leashed while in the park. Parents, please remind children who take the family dog to the park of this rule.

A second continuing problem involves erosion on the hills of the park. Signs are being installed as a reminder that children should not be allowed to play on the hill behind the play equipment along

Wakefield Drive. Continued erosion may cause the trees on the hill to fall, as more and more of their root systems are exposed. Since not all the little ones can read, parents please ask any child you see on the hill to come down. The Parks Committee is arranging to have the sidewalk along Wakefield replaced, sloped in such a way that water will flow into the street, rather than down this hill. That will help the problem, but only if the children can be trained never to play on the fragile soil there.

Finally, children are continuing to climb up on the roof of the pool storage sheds. During the past month \$500 worth of damage was done to the roof that was only recently installed on one of the sheds. Besides the threat of damage to the building, climbing on the roof clearly is dangerous for the children. The children on the roof could have fallen off, or fallen through the hole they created. Again, parents, if you see any child atop these buildings, please insist that they get down.

The park is ours to share and love. Your help is needed to make it the safest and most fun place it can be for the many residents who rely on it as a safe haven for their children.

New Car Stickers Available

By now every Brookwood Hills family which is a member of the Community Club should have received a new sticker for their car(s). If you haven't already done so, please replace your old sticker with the new one. The sticker showcases our new Brookwood Hills logo, and should go on the left rear bumper so that it looks like the logo at

the top of this page of Brooknotes. The old stickers will continue to be used to identify cars belonging to Brookwood Hills residents who are not members of the Community Club. If you didn't receive your new stickers and you know that you are a member, call Security Committee Chair Sara Jean Burke (355-6288).

Thank You, Thank You

Dear Neighbors,

Standing in the street watching your home burn is a horrible experience, and I hope it never happens to any of you. When it happened to us, the horror was countered by overwhelming kindness from our neighbors. You made us feel as if we were supported by a thousand hands. So many people offered us a place to stay and any other thing we might need. Words are inadequate, but thank you all.

The fire began in the ceiling joists between the second floor and the attic, starting near a window where painters had been using heat to remove old paint. George was home, at the other end of the house, watching the Braves game when he heard the smoke alarm. If it weren't for that alarm, he might not have become aware of the fire until it had spread much further, and closer to him.

No one was hurt; even the cat returned the next day. Our insurance will cover the loss. We're living in the finished basement until the upstairs is repaired -- probably by the end of July. As we pick up the pieces and mourn the family memorabilia that went up in flames, we have new memories of a wonderful neighborhood to help make up for the losses.

Garden Club Update

In May the Brookwood Hills Garden Club gave the park a good once-over. Trowels, shovels, and rakes helped make way for flats of annuals around the pool. Scraggly limbs and overgrown vines surrendered to clippers and elbow grease. Operating as a real neighborhood garden club, the members appreciate this neighborhood and wanted to give back a little of that pleasure.

Board Changes

There are three new members joining the Community Club's Board of Directors. They are Jim Porter, who will be taking over the Recycling Committee from Neil Fisher, JoAnn Hagaman, who will assume responsibility for the Trees Committee from Brooks Bollman, and Bibbie Withers, who will head the Tennis Committee upon the departure of George Strobel.

Fire Hydrant Alert

During the Dusenbury's fire, the fire department was not initially able to locate the fire hydrant nearest their home. As a result, there was a delay in getting water onto the fire. It turned out that the hydrant was surrounded by bushes and was consequently difficult to find in the dark. There is some question about whether or not Brookwood Hills has an adequate number of hydrants in the neighborhood and whether there is some way to alert the fire department to their location. This is being looked into, but in the meantime, check the hydrants on your street. Know where the closest ones are, and if they are overgrown with vegetation, see if there is not some way they can be made more visible.

Install a Sidewalk

Good news for Brookwood Hills homeowners on Brighton, Camden, Wakefield, and Huntington Roads who would like to have sidewalks! The Public Services Division of Atlanta will install six foot sidewalks, driveway aprons if needed, and neat granite curbing for any homeowner on an individual basis. Previously, it was necessary for a group of neighbors to agree jointly to install a sidewalk together. The new policy now allows individual homeowners to arrange for a sidewalk on their own.

If interested, you only need call Mr. Dwayne Stocks, Inspector, Public Service Division at 330-6087. It is easiest to reach Mr. Stocks before 9:30 a.m. or after 4:00 p.m. any week day to make arrangements for an appraisal of the cost. If the appraisal is acceptable to you, the next step is to send the city a check for the appropriate amount, with a request for your sidewalk. A work order will be issued and your job will be put on a work list. It is currently taking about two months from the time a check is received until work begins.

Pool Party Set for June 4th

The pool will open on May 29th! All members of the Brookwood Hills Community Club are invited to celebrate at a poolside party on Friday June 4th, from 7:00 - 10:00 p.m. As was the case last year, Katie Bollman has planned a terrific bash, with catering by U.S. Bar Y Grill and live music. The price is \$17.50 per person. Send your checks to Katie at 84 Wakefield Drive. For more information, call her at 352-8422.

The following is a record of the Brookwood Hills "A" and "B" membership rolls. If there is a mistake, please contact Kathy Bernhardt, 874-5067, so that it can be corrected and the roll at the pool will be correct. If you are not a member, would you please take this opportunity to become one. An application is attached for your use. An "A" membership entitles you to use of the park, year-round tennis, and use of the pool and all of its facilities. In addition, \$160 of your dues goes toward maintenance of trees, taxes, maintenance of the park, security, and other common area expenses. A "B" member is entitled to use the park on a year-round basis and contributes to the support of all of the above common expenses including security. If you would like to change from a "B" to an "A" membership, please call me.

The Brookwood Hills Civic Association is only as strong as its membership. Please support where you live.

The financial obligations of an "A" member are a one time, non-transferrable, non-refundable initiation fee of \$600 and yearly dues of \$455 in 1993. In 1993 a "B" membership is \$160. Checks should be made payable to the Brookwood Hills Community Club.

Welcome New Neighbors . .

Ellis & Libby Hadaya will be moving to 46 Camden, along with son David, age 16 months. Ellis is a physician with the Atlanta Neurological Clinic.

Atlanta natives Libby & Frampton Simons have moved to 230 Brighton. Libby is an attorney and the sister of Brookwood Hills veteran Laura Inman. Frampton is a businessman.

Pat & Sheridan Watson are our new neighbors at 83 Huntington. Both are lawyers with Powell Goldstein, Frazer & Murphy. They have two Dalmatians: Kelsy & Alex.

Editor's Note: Are you new to Brookwood Hills, but have not been recognized in Brooknotes? Then Lorraine Oser (351-4825) needs to know who you are! Don't be shy; give Lorraine a call and tell her about yourself and your family so that you can be included in the June issue. We want every new neighbor (new babies too) to be recognized. What's the definition of new? If you think you're new, then you are. Call Lorraine today.

And Good-bye To . .

Sloan, Margaret, Celia & Laura Gibson, whose new address is 3250 Dell Road, Birmingham, AL 35223, 205-802-7799.

Melanie, Rick, Gardner & Eleanor Smith, who can be found at 42 Thackeray Road, Wellesley, MA 02181, 617-237-2569.

Save Time & Hassle

Did you know that you can get your driver's license renewed at the Kroger, 725 Ponce de Leon, near Ford Factory Square? In about twenty minutes one recent morning, Kathy Bernhardt reports that she left Brookwood Hills, drove to the Kroger, got her license renewed, and returned home.

How to Get In Brooknotes

The deadline for the next edition of Brooknotes will be June 11th. Articles must be in writing, with your name and phone number included. Classifieds are run free of charge to all Brookwood Hills residents. Drop off any material to Alison Caughman at 200 Camden.

Tennis News

The Tennis Committee reminds you that Lee King will be holding tennis clinics in June, according to the following schedule:

June 7 - June 11: 5 & 6 year olds
June 14 - June 18: 7 & 8 year olds
June 21 - June 25: 9 & 10 year olds
June 28 - July 2: 11 & 12 year olds

The price per child for the week will vary according to participation numbers per session. The times will be 9:30 - 10:30 a.m. Monday through Friday. For more information, call Lee King at 261-8643.

Who Are Our Grads?

Brooknotes would like to congratulate and showcase this year's crop of high school and college graduates. If you have one of these celebrities in your home, please call Alison Caughman (355-7662) by June 7th with the following information: Name, where graduated from, post-graduate plans. Also, please include any special honors such as graduating cum laude or the awarding of any scholarships. If you call and leave a message on Alison's machine, please leave your own name and number so that she can call you back if she has any questions. The information will be printed in the June issue of Brooknotes.

Westminster Shuttle

If you are not in the Brookwood Hills carpool shuttle for Westminster students in Junior and Senior High School and are interested in joining next year, call Sara Jean Burke at 355-6288.

Kindergarten Round-Up

On Thursday, May 20th, from 3:15 - 4:15 p.m. E. Rivers Elementary will welcome next year's Kindergarteners and their parents. If you plan to attend, please call Marilyn Rosenberg, 351-2904.

Classified

Pool Season Is Almost Here

This summer the pool will be the focus of many traditional and new activities. It's still not too late to join the Brookwood Hills swim and dive teams. There will be a parents and coaches meeting on Sunday, May 23rd at Leslie Benham's home, 21 Palisades Road, at 5:30 p.m. Late registration will be conducted, clothing orders picked up, and questions answered by the coaches, team moms, and new pool manager Kathleen Roskopf. On Saturday, May 22nd, there will be a clinic to qualify coaches and parents to judge diving meets. The course will last approximately 4 1/2 hours. Please call Dive Team Mom Jenny Ferguson at 352-0208 if you are interested in attending. The more qualified judges we have, the better it is for our divers!

It's exciting to see the traditional swim and dive team activities heat up, but the Pool Committee is just as proud to announce the addition of many new organized pool activities for children and adults too young/inexperienced or too old for the team opportunities. For those in the "too old" category (doesn't that sound depressing?) two exercise classes will be offered. "H2O Power Aerobics" will be a 45 minute aerobic exercise class which promotes cardiovascular endurance, losing inches, and increasing strength and flexibility. "Fluid Motions" will be a low impact, non-aerobic class which focuses on joint flexibility, increased range of motion, and relaxation. There will also be: an "Emergency Water Safety" Red Cross course, designed to teach how to respond effectively in a water emergency and to become aware of potential hazards; a "Scuba Diving" course, open to anyone interested in scuba certification, with an optional trip and water dive; a "Kayaking" course, for learning safe, effective ways to maneuver a kayak; and finally, an adult beginning swim class.

Children under three will have the opportunity to take a "Parent and Tot" class to advance the swim abilities of toddlers. Pre-schoolers (3 - 6) can take "Aqua Tots" or "Advanced Aqua Tots." Children six years and older can take "Beginner," "Advanced Beginner," or "Intermediate" level lessons. These classes will follow the American Red Cross's swim lessons guidelines. For children who may not be sure about whether or not they're "good enough" for the swim team, or who just want to improve their skills, a new Pre-Swim Team class, designed to improve the coordination, speed and expenditure of strokes and skills will also be offered for \$5 per class, with possible graduation to the Swim Team with the approval of Coach Topher McGibbon.

Classes will be offered only if there are enough registrants to justify hiring an instructor. To find out about the exact dates, times, and costs for these various classes, call Harriet Adams at 215-9276. You can also contact Harriet to arrange a "Splash Party" for a poolside birthday (or other) celebration, with pool games, decorations, and a lifeguard for up to 15 persons.

Finally, all you stroller-pushers out there will be pleased to hear that you will be able to arrange to have the back gate to the pool (off the park) opened for you by calling ahead to the front desk (351-0327) before you walk or drive down. This will allow you to avoid carrying strollers down the stairs from Wakefield.

All these opportunities are designed to make the summer more enjoyable and the pool more useful for Community Club members. Pool Committee Co-Chairs Esther Stokes (876-1809) and Dave Forquer (874-3254) want to know what you think of these new activities as the summer progresses. They'd like to hear your kudos, your complaints, and your suggestions.

Have a great summer!

The logo for Specialty Homes Inc. features the word "Specialty" in a large, elegant, cursive script. Below it, the word "Homes" is written in a smaller, similar cursive font, and "Inc." is written in a simple, sans-serif font at the bottom left of the logo.
