

CENTENNIAL HOMECOMING

Join us in celebrating the 100th anniversary of Brookwood Hill's birth!

Brookwood Hills Community Club (BHC) will be hosting **Brookwood Hills Centennial Homecoming** on Friday and Saturday, April 29-30, 2022. Founded in 1922, Brookwood Hills (BH) is one of Atlanta's earliest suburban neighborhoods. While the city has grown increasingly urban, BH has retained its 1920's ambiance and integrity as a neighborhood with its enclave design, curvilinear streets and variety of majestic trees and leafy canopies.

The adage, **from an acorn a mighty oak shall grow**, represents this significant 100-year milestone for the dedicated stewardship in creating this bucolic community. This 2-day event will be an opportunity to celebrate and reflect on its history and the influence on the many generations who have called this special place their home. We ask you to invite alumnus from all over the country including grandparents, parents, children or grandchildren to return for reconnecting and celebrating all ages who are or have once lived in the neighborhood. With the park as the backdrop, event highlights are as follows:

Friday, April 29

- Dedication of 100-year historical marker
- *Dancing Through the Decades Gala* with open bar, live band, dinner and a tribute to past and present families. Cocktail attire or represent your favorite decade!
- *Celebrating A Century of Community* video of personalities including endearing anecdotal history of the neighborhood.

Saturday, April 30

- *Fun Run to the Park* for the whole family to attend
- *Lantern Festival and Parade* will be part adventure, part fantasy with a late afternoon carnival spectacular of mechanical amusement rides, food trucks, games, cotton candy and entertainment. The grand finale will occur at dusk where the park will come alive with a luminescent glow of lantern lights as we parade with homemade globe lights around the park's adjacent streets!

Sunday, May 1

- *CHOA Home and Garden Tour* will give a glimpse inside several BH's home and gardens. This is a separate sponsorship opportunity. Please contact hokiechena@gmail.com or amymattson1@me.com.

To commemorate the occasion we are offering for purchase a number of unique items including: (*collector's editions must be ordered by March 1*)

- Limited edition and exclusive to BH, a *HookNHide* handcrafted bottle opener in the shape of our beloved oak tree leaf with *Brookwood Hills, Est. 1922* on back. Display on your bar or wear as your belt buckle. The collector piece is handmade from tumbaga, a blend of silver, gold and brass, that captures a unique colorful patina.
- Limited edition artistically rendered BH map on cotton rag paper with archival inks.
- Yeti styled 25 oz wine canteen, Fun Run t-shirt and other surprises

We are expecting a large attendance and tickets will sell out. Early access to tickets will begin on January 19 for existing BH Club members. February 1, tickets will be open to present and past neighbors or members.
